

Your beach needs you!

Please Join the Ogden Dunes Annual Beach Cleanup

Saturday, Sept. 17, 9 – 11 am
Shore Drive at Diana Road
Accessway 14

This is a fun and easy way for the whole family to volunteer. We divide the beach – such as it is – into sections, pick up trash such as Styrofoam, cigarette butts, bits of plastic, etc. (gloves and bags will be provided, or feel free to bring your own) and count the pieces. With your help, we can provide information that helps make our lake and beaches better for all of us, and for the creatures that live on or near the water.

Sponsored by Ogden Dunes Environmental Advisory Board

In conjunction with the Alliance for the Great Lakes and International Coastal Cleanup 2016.
